No

Yes

Health status

Do you have a disability or health issue that:

- May impact on your ability to perform any of the cognitive and physical functions that would fall within the scope of practice that you are seeking in this application?
- may require special equipment, facilities or work practices to enable you to perform any aspect of the scope of practice you are seeking in this application?
- may be relevant to determining your scope of practice?

If you answered YES, please provide details of the disability or health issue and its likely, or possible, impact on your ability to carry out the sought scope of practice. Details of any special equipment facilities or work practices required should be included.

This information can be provided on this form or, alternately, you can provide the information in a sealed envelope marked 'Confidential for Director of Nursing only' appended to this application. Indicate here if additional information is being appended.

This information is sought to enable an assessment to be made as to whether you can safely perform the inherent and reasonable requirements of the work that you seek to perform at the health service or whether any reasonable adjustments might be required to ensure you can work at the health service in a way that ensures patient safety.
